WRIT PETITION No.110 of 2003

O R D E R:

This writ petition is filed questioning certain conditions issued in the tender notice issued by the Andhra Pradesh Health and Medical Housing and Infrastructure Development Corporation.

A condition imposed was that the participant should have the pre-qualification certificate obtained from the World Health Organisation. The tender notice itself was issued in the year
2002-03. At the stage of admission, this Court granted interim orders. Subsequently, in the vacate stay petition, this Court permitted the respondents to proceed with the process of finalisation of tenders in accordance with the conditions notified in the tender notice.

Inasmuch as the period for which the tender notice issued has expired long back, no further directions can be issued in this writ petition at this point of time. If the petitioner is aggrieved, it is open for it to seek any other appropriate remedy. However, as the period itself has expired, this writ petition is dismissed as infructuous. No order as to costs.
